We are concerned about the health and safety of all of our staff and attendees and are closely monitoring the COVID situation. A detailed hygienic concept will be developed to make your participation at the conference onsite as safe and enjoyable as possible.

Therefore, the following safety and hygiene measures apply:

You will certainly be curious about the measures we have taken to protect your health and data. We have compiled the most important aspects for you here.

To minimise the risk of infection with COVID-19, we also need your help. Therefore, in the second section you will find an overview of the officially prescribed rules of conduct that all guests, as well as the organization team, must follow.

SAFETY & HYGIENE MEASURES

No access restrictions

The corona-related access restrictions to the conference area at Hotel Maritim, Dresden no longer apply. Vaccination status will not be requested, nor is a negative corona test proof required.

Entering the venue at Hotel Maritim, Dresden with Corona-typical disease symptoms is prohibited.

For regular disinfection, disinfectant dispensers are available for you throughout the building.

The conference rooms are also equipped with ventilation systems so that constant air circulation is guaranteed. Also regular ventilation of all areas with fresh air (by open doors/ windows)

FACE MASK PROTECTION

A face mask that covers your mouth and nose must be worn

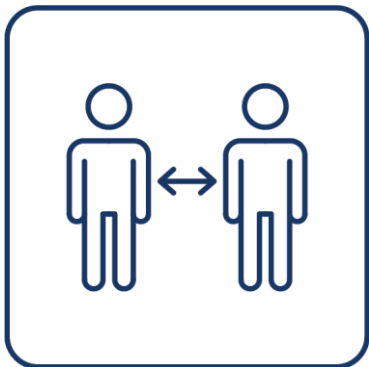

- **All days inside the conference room at the venue Hotel Maritim Dresden.**

Furthermore there is no general obligation to wear a mask in the public areas of the hotel . For your personal protection, however, we recommend that you wear a mask on indoor circulation areas, for your own protection and for the protection of all other participants.

If you have forgotten your own face mask, a replacement will be waiting for you at the registration desk.

We will have masks in stock and also Corona testkits.

All our staff on site are also instructed to wear face masks.

DISTANCING

We ensure the safety of all participants, by actively limiting the number of attendees of the Helmholtz AI conference 2022.

In the entrance, exit and foyer areas of the venue , sufficient space will be provided to continue to maintain the desired distance.

FOOD AND DRINK

All catering services are offered in compliance with the actual corona hygiene and protection measures.-

Masks are still mandatory in the catering / buffet areas

PARTICIPANT MANAGEMENT onsite:

- Limitation of the number of guests
- Professional electronic participant management

WHAT RULES DO I HAVE TO FOLLOW AS A PARTICIPANT?

- Carry your own mouth-nose protective mask and please wear it all conference rooms
- Feel free to continue wearing a mask in the public areas of the venue
- Wash your hands regularly and thoroughly
- No shaking hands and no hugs
- Sneeze into the crook of your arm, avoid facing anyone or anything.
- Dispose of personal waste yourself.

WHAT HAPPENS IF THERE IS A SUDDEN CASE OF ILLNESS?

In the unlikely event of a recognisable suspected infection of a person with COVID-19, there is a tested action plan:

- The person is sent directly home.
- In case of an emergency (if not able to act/drive, etc.), an ambulance is called and the person is isolated until then.

With the combination of your considerate behavior on site and our protective measures, nothing stands in the way of the Helmholtz AI conference 2022 being carried out. Thank you!
